PROFILE

I am a Product Designer, with a background in hospitality, which has refined my abilities to anticipate user needs and communicate effectively. I am focused on creating exclusive user experience through research and a deep understanding of user needs.

EXPERIENCE

PRODUCT DESIGNER

2025 – PRESENT

Freelance, Remote

- Delivering end-to-end product design for an AI-powered app, from user flows to polished UI

JUNIOR PRODUCT DESIGNER

2024 – 2025

OneFootball GmbH, Remote

- Developed wireframes, mockups, and prototypes to support product design
- Contributed to design systems and ensured consistency across all product interfaces
- Collaborated with teams to align design solutions with user needs/business and presented them to stakeholders
